

Water For People Donations

2018 AWW&WEA Conference

Hot Springs Convention Center

April 29 – May 1, 2018

Hot Springs, Arkansas

water for people

The Arkansas Water Works & Water Environment Association Water For People Committee is soliciting donated prizes for its fundraiser raffle to be held at the 2018 Annual Conference. Vendors making donations will be recognized by a sign by the ticket box for their donation, and by name during the raffle drawings.

Please support the **Water For People Charity “Helping People to Help Themselves”** www.waterforpeople.org

“Water For People helps the most impoverished people worldwide improve their quality of life by supporting sustainable drinking water, sanitation and hygiene projects.” This mission involves helping people through projects that engage communities in developing countries in securing safe drinking water, adequate sanitation systems and learning about good health and hygiene practices. For the more than one billion people without access to safe drinking water, WFP is helping the poorest of the poor, one community at a time.
